Industrial Bioprocesses Scale-Up Training Program

Please return signed forms to: nviau@cnete.qc.ca

General Terms

REGISTRATION DEADLINE: April 3rd, 2026

RATES

Theoretical training (online): Regular – \$1,500 / Student – \$1,000 | Includes PDF training documents for all covered modules, as well as a printed copy of the protocols for bioreactor assembly, bioprocess start-up, analyses, a checklist, and a data entry table.

Practice (on-site in Shawinigan, QC) – Regular – \$3,750 / Student – \$3,000

A \$250 rebate will be applied for a registration in both theory and practical training.

An invoice will be issued within the days following your registration and must be paid before October 16, 2025. The training will only take place if a sufficient number of participants register. If the number of participants does not allow a cohort to start, any payments made will be refunded, if applicable.

IMPORTANT

1. The start of the training is conditional upon confirmed payment from a sufficient number of participants by April 3rd, 2026.
2. **DATES:** The theoretical portion will take place in four 4-hour blocks, one per week (8:30 a.m. to 12:30 p.m.), starting on April 10th, 2026, and ending on May 1st, 2026. The target dates for the practical portion are the first two weeks of June, following consultations with registered participants.
3. A registration is considered confirmed only once payment has been received.

Authorized payment methods: cheque or bank transfer only.

For any questions:

Nicholas Berrouard (nberrouard@cnete.qc.ca) / Nicolas Viau (nviau@cnete.qc.ca)
